

CONFERENCE ON “ADULT LEARNING, DEVELOPING PATHS FOR MULTIGENERATIONAL LEARNING”

Format: Video conference

Duration: 3 hours after DGVT meeting (CET)

Structure: Opening session + keynote speech + 4 panels + closing

1. Adult learning, paths, challenges and opportunities ahead

- Portuguese presentation (Qualifica Programme).
- Commission presentation (Adult Learning: the way forward ensuring that adults have access to skills needed by the economy and society, and the role of EU funds in up- and reskilling).

2. People First: understanding demography and inclusion

- Responding to the challenges of demographic trends and ageing societies and how to promote a more inclusive world.

3. New and old skills and multigenerational learning

- Lifelong learning as a means of making all generations count and leaving no one behind (the problem of young NEET, older generations, new low-skilled).
- Investing in the multiplier effect of skills between generations: tools and environments.
- Upskilling and reskilling strategies for a multigenerational labour force.
